OFFICE OF  
**COUNCIL PRESIDENT TONY YOUNG**  
**DISTRICT FOUR**

**SEPTEMBER 13, 2012 WEEKLY UPDATE**

(619) 236-6644 202 C STREET, 10TH FLOOR SAN DIEGO, CA 92101

## **NEWS & NOTES:**

**On Sept. 7 San Diego City Council President Tony Young joined San Ysidro Health Center officials and community leaders to celebrate the opening of the new three-story King-Chavez Health Center at 950 S. Euclid Ave. in Council District 4.**

The ceremony also included the dedication of the health center's lobby in honor of Leon Williams, a former San Diego City Councilmember and San Diego County Board of Supervisor who championed many health services programs for low-income residents in underserved communities.

**On Sept. 11 Council President Tony Young, in partnership with the Carton Council, announced a comprehensive public education campaign to promote the addition of food and beverage cartons to the City of San Diego's recycling program.**

This new initiative by the Environmental Services Department to collect and recycle food and beverage cartons will enable the City of San Diego to boost its recycling rates, and further its goal of being a "cleaner and greener city."

**On Sept. 13 Council President Tony Young, along with his wife Jacque Young, teamed up with Mayor Jerry Sanders and local chefs on board the USS Midway to launch a public awareness effort and fundraising event to help end childhood hunger.** They announced the first-ever "first taste" San Diego Restaurant Week kick-off event benefitting the Jacobs & Cushman San Diego Food Bank's Food 4 Kids Backpack Program. A portion of the proceeds from #SDRWTaste2012 being held on Friday Sept. 14 from 5 to 9 p.m. at the downtown Broadway Pier will be donated to this vital program that provides weekend food to chronically hungry students at 29 elementary schools throughout the county. The Council President and his family have been long-time supporters of the Food Bank's efforts to end hunger, including the expansion of the Weekend Backpack Program to the neediest schools in southeastern San Diego. He thanked and commended the restaurant industry for stepping up to the plate and helping feed kids who come to school hungry and perform poorly because they aren't getting enough food at home. "This is a perfect example of how local businesses can help San Diego kids and schools succeed," said Young.
